Dear General Byng Families,

Our school was full of excitement today as we put final touches in place to welcome students. We met with staff to reaffirm our commitment to providing a safe, inclusive, welcoming environment for our community.

Staff engaged in conversation and planning around our school goals and our values of **KINDNESS, RESPECT, and RESPONSIBILITY**. One of our goals this year is finding opportunities to embrace our motto: **Strength in Community** and that includes YOU!

Please use our website to navigate stories of celebration from our classrooms and across the division. We also share monthly community messages under the Community>General Byng Community Updates page found here: [Community Updates](#)

We have updated our school calendar with more events, including picture day, and music/band concerts. This calendar is also found on our website as a download file: [GB 6-Day Calendar and Important Events](#) and by clicking on the [CALENDAR](#) heading in the red bar at the top of the website home page.
