

Pembina Trails School Division

Standard of Behaviour

Pembina Trails is committed to helping every student learn, grow, and feel a sense of belonging in their school and community.

Achieving this takes a shared commitment from students, families, and staff to follow the expectations and responsibilities set out in our Standard of Behaviour.

Students in Pembina Trails:

- Take care of themselves, others, and the environment
- Create communities where everyone is respected, supported, and included
- Follow school and classroom agreements
- Use technology safely and responsibly
- Learn from mistakes and make things right when harm occurs
- Do their best each day and ask for help when needed

Families in Pembina Trails:

- Support each child's learning, well-being, and growth
- Work together with school staff in a respectful way
- Talk with their child about respect, responsibility, and safe technology use
- Follow school processes when questions or concerns arise

Staff in Pembina Trails:

- Create and maintain responsive, equitable, and inclusive learning spaces
- Honour the strengths, experiences, cultures, and identities of every student
- Respond to behaviour concerns fairly and thoughtfully
- Help students learn from mistakes through support, reflection, and repair
- Build caring and respectful relationships with students and families

Our Commitment

We know that every student is unique and may need different kinds of support to succeed. When challenges arise, we will work together to understand what happened, strengthen relationships, and help students learn and grow.

For more information about behaviour expectations and supports, please visit our website pembinatrails.ca to read the full **Standard of Behaviour**.
